Numb. 9028.

The London Gazette.

Published by Authority.

From Tuesday January 29, to Saturday February 2, 1750.

Rome, January 16.

THE Pope has cauſed an Edict to be publiſhed, intimating to all the Biſhops, Canons and Clergy, who, on the Occaſion of the Holy Year, have come to Rome, to repair within a Fortnight to their reſpective Churches. Laſt Week Count Lagnaſco, the Poliſh Miniſter, received an Expreſs from Dreſden, with Advice, that her Royal Highneſs the Princeſs Electoral of Saxony had been happily delivered of a Prince; whereupon, on the 10th Inſtant, Cardinal Hannibal Albani, and the ſaid Miniſter, had an Audience of the Pope, to acquaint him with the ſaid Event. On the 12th Inſtant Cardinal Mellini diſpatched a Courier to Vienna, as did Cardinal Rezzonnico another to Venice, it is ſaid, with the laſt Determination for adjuſting the Affair of Aquileja; it being reported, that if the Senate of Venice ſhould decline to comply with the two Preliminaries inſiſted upon by the Court of Vienna, of recalling the Pope's Nuncio at Venice, and ſending their Ambaſſador to Rome, the Auſtrian Miniſters at Venice will certainly retire from that City. On the 14th a Courier from Naples paſſed through this City on his Way for Parma, Turin and Spain, with Advice of the Queen of Naples being happily delivered of a Prince.

Florence, Jan. 22. The Emperor's Orders arrived here laſt Week for putting in Execution the Scheme of the Marquis Ginori, Governor of Leghorn, to build Suburbs to the Eaſt of that City at a Mile diſtant; and the Regency have cauſed an Edict relating to it to be publiſhed, granting very conſiderable Privileges to thoſe who will build Houſes, and ſettle there. The Emperor is to contribute the Sum of 8000 Crowns for the making a ſmall Port, convenient for fiſhing Boats, and People have been ſent to Leghorn to begin the Undertaking immediately. The Regency having cauſed a Slave belonging to the Gallies, who lately, among many others, had eſcaped from Piſa, and taken Refuge in the County of Turicchi, an Imperial Fief belonging to the Biſhop of Fieſole, to be arreſted by a Party of Bailiffs, that Prelate has highly complained of ſuch irregular Proceedings, as an Infringement of his Privileges; and has preſented to the Regency a ſtrong Repreſentation thereupon, and diſpatched an Account of it to Count Stampa, the Emperor's Commiſſary General in Italy. On the 16th, Sixteen Moors belonging to a ſmall Cruizing Veſſel from Tunis, which a few Weeks ago were by a Storm driven on Shore at the Iſland of Giglio, arrived here by Land from that Place: They were maintained by this Government during their Stay here, and on the 18th were ſent to Leghorn, in order to be embarked for the Coaſt of Barbary.

Madrid, Jan. 25. Letters from Ferrol, dated the 13th Inſtant, bring Advice, that two Spaniſh Ships of Seventy Guns each, commanded by Don Pedro Stuard, arrived in that Harbour the 7th, in Twenty-five Days from Cadiz. That they had landed Two Hundred Marines, and One Hundred and Fifty Gunners, who were to remain at Ferrol; and that it was ſaid the Ships were to cruize on the Coaſt of Galicia, to clear it of the Algerines, and were to put to Sea again for that Purpoſe when the Weather permitted. That four Ships were building in the King's Yard with all Expedition, and Materials were preparing to begin ſix more.

Hague, Feb. 5. Two Placarts have juſt been publiſhed here, which the States of Holland reſolved on before their Adjournment. In the firſt they complain of the Oppoſition and ill Uſage which their Collectors have met with in the Execution of their Duty, in ſeveral Parts of this Province, and eſpecially near the Borders of the other Provinces, and Diſtrict of the Generality; notwithſtanding the States had declared in their former Proclamations, that they took thoſe Officers into their ſpecial Protection. For which Reaſon they now again declare all thoſe concerned in the abovementioned Outrages, Enemies to their Country, charging the Fiſcal to proſecute them; and giving the Collectors and their People Power to ſtop and ſearch all Carriages by Land or by Water, and to provide themſelves with Arms, in order to repel Force with Force. The other Proclamation relates to an Oath, which ſeveral Merchants and Traders were to renew at the Beginning of this Year, purſuant to ſome former Placarts, to prevent Frauds in the Payment and Collection of Duties, and which ſome of thoſe People, who had taken it laſt Year, imagined was to bind them no longer than till the 1ſt of January laſt; whereas the States declare, that their Intentions were and are, that the ſaid Oath ſhould continue in full Force, for the following Year likewiſe, and in general till it is renewed.

Paris, Feb. 6. On Wedneſday laſt M. de la Bourdonnais was acquitted of the Accuſations that were laid againſt him, and was accordingly diſcharged out of the Baſtile.

Whitehall,

1518
